Dear Sir,

Apropos the report embodying the deliberations of the Special Committee (Finance), I have to state that I am not aware whether the matter has as yet reached the stage of promulgation of final orders. In case it has, I have to state that it will considerably facilitate matters and prevent a lot of avoidable confusion or difficulties, if the draft orders are kindly referred to me for perusal before final promulgation. Such a course will enable me to point out the difficulties, if any, in giving effect to the orders from the point of view of the Department and obviate the necessity of further correspondence on the subject.

Bangalore, dated the 22nd January 1923.

Dear Mr. Nagesha Rao,

Having been engaged on other work I have not yet had time to submit my report of my deputation to Chittoor. I am just now drafting the report and will be glad if you will kindly help me on the following points:---

I should like to know whether a separate "Petition Register" is maintained in the Collector's Office. Under the rules of the Tottenham's System, I do not think a separate Petition Register is necessary.

I shall be obliged if you will send me one of the samples of the 'disposal jackets' referred to in para 65 of the District Office Manual.

I shall let you know later on if I want any further assistance from you in the preparation of the report.

Yours sincerely,
